

شركة الدار للهندسة والإنشاءات  
HOT Engineering & Construction Co.

## COMPANY PROFILE

A large construction crane is silhouetted against a bright orange sunset sky. The sun is a large, glowing circle positioned in the lower-middle part of the frame, partially obscured by the crane's cables. The crane's lattice structure and horizontal jib are clearly visible in dark silhouette. The overall scene conveys a sense of industrial activity during the end of a day.

Our employees are dedicated to the company's vision of pursuing excellence in all fields of our specialization.

We provide our employees with an honest, safe and helpful working environment, where every employee individually and collectively, can dedicate themselves to providing our customers with exceptional workmanship, extraordinary service, and professional integrity.

# Business

## Oil & Gas / Industrial Division

### A. Mechanical Works

- Refineries & Petrochemical plants
- Power and Desalination plants
- Sewage and Water Treatment plants
- Oil and Gas Piping works including Hot / Cold Tapping
- Steel structure
- Gathering Centers
- Gas Compression and Treatment Units
- Oil and Gas Handling & Export including Loading Arms
- Tanks and Vessels Construction, Protection and Maintenance.
- Steam Generators
- Pumping Station
- Sea Water Intake Line
- Conveyor Belt System
- Fire Fighting and Protection System
- Inspection, Non-Destructive Testing
- Maintenance works for Refineries, Petrochemical, Oil Field Facilities and Power Plants

### B. Electrical Works

- Power Distribution
- Cable tray and conduit
- Generator Main & Stand-by
- Lighting
- Earthing
- Substations
- Motor Control
- Cathodic Protection
- Batteries & Chargers
- Electrical equipment in classified locations

### C. Instrumentation Works

- Process instrumentation-pneumatic/ electronic/digital
- Analyzers
- PLC
- DCS
- CMS
- CCTV works
- Relay Logic
- Interlock schemes
- Metering systems

#### D. Civil Works (Industrial, Oil & Gas)

- Inplant Civil
- Buildings
- Pipelines
- Industrial Structures

#### Infrastructure Division

- Earth & Road works
- Water Distribution Networks
- Storm water and Sewerage Networks
- Tunneling works and Pipe Jacking works
- Civil works related to Telephone & Electrical Infrastructure

#### Building Division

- Multistory Buildings
- Housing Projects
- Industrial Buildings
- Commercial & Residential Buildings
- Hospitals and Schools
- Building rehabilitation

#### Services Department

- Rental of Construction Equipment
- Fabrication Workshop
- Machining Workshop
- Asphalt Plant
- Concrete Plant
- Industrial Material Supply

## Major Clients

### A. Kuwait Government Authorities

- Ministry of Electricity & Water (MEW)
- Ministry of Information (MOI)
- Ministry of Public Works (MPW)
- Public Authority for Housing Welfare (PAHW)
- Ministry of Health (MOH)
- Ministry of Education (MOE)
- Ministry of Interior

### B. Oil & Petrochemicals Companies

- Kuwait Oil Company (KOC)
- Kuwait National Petroleum Co. (KNPC)
- Petrochemicals Industries Co. (PIC)
- Joint Operation (JO)
- EQUATE

### C. International EPC Contractors

- Kellogg Brown & Root International (KBR)
- Bechtel
- Deutsch Babcock
- Daelim Industrial Co. (DIC)
- GS Engineering & Construction Co. (GS E&C)
- Hyundai Engineering & Construction Co. (HDEC)
- Mitsubishi Heavy Industry (MHI)
- SK Engineering & Construction Co. (SKEC)
- Hyundai Heavy Industries Co. (HHI)
- SINOPEC Corporation
- FISIA ITALIMPIANTI
- EXCELLERATE
- Technicas Reunidas - TR
- Dodsal
- L&T

## Agencies & Trading

HOT Engineering & Construction Co. newly evolved Agencies and Trading division is in process of broadening its principal base. Through close association & Agency arrangements with well reputed manufacturers in the Oil & Gas, Construction and Energy sectors, we aspire to increase our foothold in the market with main aim of providing top quality services to all our current and future clientele on time. We are enthusiastically looking forward to establish business alliances with reputed international companies willing to work with us on an exclusive basis through mutually acceptable terms.

We represent number of international companies for various products and services, some of them area as listed:

- HOABINH Construction Group 
- Seaprodex Refrigeration Ind Corp. 
- LILAMA Corporation 
- HANBO Engg. & Const. Co. Ltd. 
- INDOCHINE Engineering 
- KUMGA 
- FITOK Incorporated UAE, China
